DEFENDANTS' REVISED SUMMARY OF PRODUCED OEMC AUDIO

Defendants City of Chicago, Joseph M. Plovanich, Bjornn Milan, Kevin A. Graney, Robert Mangan, Michael T. Karczewski, Sarah McDermott, Noel Esquivel, Antonio J. Valentin, Mark A. Kushiner, Jorge Cerda, Armando, Silva, Jr., Rafael S. Garcia, and J.J. Gorzowski (collectively "Defendants"), by and through their attorneys, Mark D. Winistorfer and Kristin M. Pinkston, submit the below Defendants' revised summary of produced OEMC audio detailing any discrepancies between the audio that was originally submitted and the newly produced audio as well as the certified court reported transcript produced on January 26, 2017 that is highlighted to illustrate the specific designations Defendants seek to offer into evidence. This marked transcript is attached as Exhibit A.

To be clear, the audio previously produced during the discovery period of this civil matter is included in the "newly produced" audio. The previously produced audio was never transcribed by a certified court reporter. For this reason only, Defendants use the "newly produced" audio court reported transcript for the purpose of precisely designating the audio portions they wish to offer into evidence. The summary below is just that: a summary and is not meant to be an official and complete transcription. Defendants include both the summary as

well as the marked court-reported transcript in an effort to clearly show Defendants are seeking to offer only audio portions previously produced during the discovery of this civil matter.
